

LWMA / No Hazing Statement and Agreement

Hazing is defined as the unauthorized and intentional abuse of leadership by one cadet over another. It can also mean any student taking advantage of another student by depriving them of their student rights and privileges. Please agree to help us prevent all hazing by signing the following agreement:

- **I agree to follow all cadet guidelines concerning Hazing as listed in Section 8.04 of the Cadet Regulation Blue Book.**
- **I agree to immediately report any incident of hazing to my TAC, the Commandant, or other school officials.**
- **I agree to never ridicule, intimidate, or cause other cadets to accept any task or punishment I would not accept.**
- **I agree to never ask, or order, other cadets to do my work or complete my duties as a cadet.**
- **I understand that bullying (including cyber-bullying by computer/phone) is a form of hazing and agree to refrain from this activity.**
- **I agree that hazing and harassment of any kind are hurtful behaviors, and that all good leaders and followers should help one another by preventing hazing.**
